Fees for any subsequent years of study before Progression are reviewed annually and will not usually increase by more than 5% (five percent) per year. Such increases may reflect increases in the Consumer Price Index; increases resulting from changes in any applicable taxation; changes by regulatory, professional or academic bodies; and ensuring parity with Partner University tuition fees. The College will give as much notice as possible of any such Tuition Fee changes. The College has no control over or responsibility for fees payable to third parties, which may include (without limitation) accommodation fees where the accommodation is not provided by a Navitas Group Company.

† Partner University tuition fees that apply to a Student after Progression are determined by the Partner University and published on the Partner University's website www.brunel.ac.uk.
